Dedication

Realizing the important role of education today, our parents have devoted endless time and energy to the task of guaranteeing us the best in education. Though working behind the scene, they have been with us in every phase of high school life -- from the auspicious to the arduous.

We, the Senior Class of 1952, do respectfully dedicate this first annual of Calumet Township High School.

We, the Senior Class of 1952, would like to take this last opportunity to express our gratitude to the man who started us on our high school career . . . Ora C. Strycker.

Mr. Strycker was a man who always had time to lend a sympathetic ear to the students problems. A man of whom we can say, "I thank God for every remembrance of you."

Administration

HAROLD DeVAULT
Calumet Township Trustee

We pay tribute to those pictured here. They represent us, the class of 1952. Their leadership has influenced our school and all the people associated with it

PETER MANDICH
Former Calumet Township Trustee

CECIL A. GRAYSON
Superintendent of Schools

.....and through their efforts have elevated us to a full four-year high school. With this continued type of guidance, we see a great future--rich in tradition for our CALUMET.

GEORGE B. CRAIG
Principal

A large, dense collage of black and white photographs from the 1950s, depicting various social events, dances, and group portraits. The photos are arranged in a grid-like fashion, with some larger images and many smaller ones. Key scenes include a 'FAMILY' banner, a man in a suit, a woman in a dress, a group of people at a table, and a large group of people at a dance.

Faculty

As Seniors of "1952" we wish to thank all the teachers who have contended with us through our years in school. We're leaving this book as a tribute for all that they have taught us while we have been here.

Calumet

Calumet Warriors, the school's best and only active team, organized at Calumet High since the school's beginning. Through the first few years it was a hard time in organizing the sport for local competition. After a long struggle it has finally payed off with a team that showed the school and community what it really had in basketball competition. Here is what our Coach came up with; Larry Childs, a slim but smart and skillful player while handling the ball in games; George Cermak, a hard fighting player; Donald Umfauf, a lefty with a nice clean shot; Joe Mitchell, a long shot player; Bob Doty, and his ever-trying hook shots; Roy Haussman, a man to pull games out of the fire; Charles Doty, trying to equal his brother.

Warriors

Larry Powers, with jump shots; Roger Groza, a small and fighting player; Eugene Ewen and Curtis Taylor, hard running and always trying. This is our combination of a bunch of hard fighting boys who never quit until the end. They believe in clean and well-played games during the long season, trying never to let the school and their coach down. In "51" and "52" we entered varsity competition for the first time, which was a new and exciting adventure for the whole team. To help celebrate the new field of varsity competition the new gym was built, with one of the biggest floors in the Calumer area. A pleasing addition for the pupils and team of now and in the future.

The object of the G A A is to provide an all-around atheletic program for high school girls.

The G A A is a rapidly growing club-- the membership is growing by leaps and bounds. Because of the growing membership, it was necessary to divide the club into Junior and Senior groups. The Senior G A A is composed of the Junior and Senior girls.

Library Assistants

Nineteen fifty one is the first year that Calumet can boast of actual library assistants. It has finally been necessary to get girls to work in Calumet's growing library. The girls who do the work, which consists of checking books in and out, figuring up charges, preparing books, magazines, and newspapers to be put on the shelves, receive 1/4 credit per semester for their work. These workers were organized by our librarian, Mrs. O. Bistransky.

Organizations

THE INSTRUMENTAL GROUPS OF CALUMET HAVE RAPIDLY REACHED A LEVEL, IN THE PAST FEW YEARS, WHERE THE MORE ADVANCED GROUPS HAVE BEEN ELIGIBLE FOR REGIONAL COMPETITION. THEIR VARIOUS CONCERTS AND PROGRAMS HAVE PROVED THEIR CALIBER.

SENIOR, JUNIOR, AND BOYS' CHORUS GROUPS, ALSO, HAVE MADE REMARKABLE PROGRESS IN THE PAST FEW YEARS UNDER THE DIRECTION OF MRS. BARBIERI AND HAVE CONTRIBUTED GREATLY TO THE VARIOUS FESTIVALS AND PROGRAMS.

THE ULTIMATE AIM FOR BOTH GROUPS OF THE MUSIC DEPARTMENT IS TO INSTILL IN THE STUDENTS AN APPRECIATION OF ALL PHASES IN MUSIC. THIS IS ACCOMPLISHED BY ALLOWING STUDENTS TO EXPLORE AND INTERPRET MUSIC OF GREAT COMPOSERS AND TO EXPRESS THEIR OWN IMPRESSIONS THROUGH INDIVIDUAL CREATIVE WORK. THE VARIOUS PERFORMANCES OF THE PAST HAVE GIVEN EACH GROUP AN OPPORTUNITY TO DISPLAY THEIR COMPREHENSION OF THESE AIMS.
